

What is PensionPoint

If you haven't already heard, **PensionPoint** is an online portal where you can access your Local Government Pension Scheme details as often as you like.

Activate your new account today and you'll be able to view and download your documents, update your personal details and check your retirement benefits in just a few clicks.

PensionPoint is a service provided by

LPP
Local Pensions Partnership
Administration

What are the benefits?

- ✓ An online account that puts you in control of your pension
- ✓ Real time access to all your relevant pension information
- ✓ Online calculators that provide an estimate of your pension benefits
- ✓ Annual benefit statements – providing a forecast of your benefits payable at your normal retirement age
- ✓ A personal information page, where you can update your details in just a few clicks
- ✓ New added features to help you manage your pension

How you can register

- 1** Enter your personal and security details
 - i** Use your personal email not a work one
- 2** Enter the one-time code
 - i** A new code will be sent to your email address, every time you log in
